### **Three shot during Home Invasion Robbery**

Riverside, CA -- On Wednesday, September 28, 2011, at approximately 9:30 PM, the Riverside Police Department Communications Center received numerous calls for shots fired in the 5000 block of Los Olivos Way. When officers arrived in the area they located a male adult subject, inside a residence, suffering from gunshot wounds. Personnel from American Medical Response (AMR) and the Riverside City Fire Department responded to the scene and provided medical attention. The victim was transported to a local area hospital where he is listed in critical condition.

While at the location on Los Olivos, another local area hospital called the Riverside Police Department Communications Center and advised they had two subjects in their emergency room being treated for gunshot wounds. Officers responded to this hospital and detained both gunshot victims and one additional subject.

Detectives from the Riverside Police Department Robbery Homicide Unit and personnel from the Forensic Evidence Unit responded to the location. Based on preliminary investigation it is believed this incident is a home invasion robbery. One of the occupants from the residence is believed to have armed himself during the commission of the robbery and returned fire.

They are identified as Isaiah Flores, 22 years old from Riverside, Joshua Flores, 23 years old from Moreno Valley, and Roland Martinez, 23 years old from Riverside.

This is an on-going investigation. Anyone with information about this incident is asked to contact Detective Jim Brandt at (951) 353-7137 or Detective Jim Simons at (951) 353-7138.
